Introduction

Eloquest Healthcare® is a team that transforms passion into results. We are dedicated to taking a leadership role in providing education, brands and services to facilitate compassionate healthcare. In short, we are leading the way from care to caring.

Eloquest Healthcare is a wholly-owned subsidiary of the Ferndale Pharma Group which was founded in 1897.

We are a specialty dermatologic company whose unique products are designed to improve dermal outcomes. Our brands deliver value by:

- Providing topical pain control
- Preserving/promoting the integrity of the skin
- Ensuring the integrity of medical devices adhered to the skin

How to Order

Eloquest products are on all major GPO contracts and are available for order via your medical distributor. For more information on ordering through your medical distributor, please see the Distribution section.
