

Features & Advantages		Detachol	Alcohol/ Acetone (Various)	Orange- Sol (Medi-Sol)	Remove (Smith & Nephew)
<b>Effective Adhesive Remover</b>	Dissolves adhesive, reducing the amount of pressure that must be applied to clean residue off the skin.	✓			
<b>Gentle Removal</b>	Alcohol- and acetone-free product that improves patient comfort. It will not dry out the skin.	✓		✓	✓
<b>Reduced Risk</b>	Easy adhesive removal helps reduce the chance of skin tears or skin irritation.	✓			
<b>Convenient Single Use Vial Package</b>	The vial effectively distributes product to the desired areas. An easy-to-use vial will do the job of multiple remover wipes.	✓			
<b>Mild Scent</b>	Will not irritate patients who may be very sensitive to harsh odors.	✓		✓	✓
